7. Spark-based Search for Similar Pairs of Large Data Point Sets
8. ...

INTERNSHIP EXPERIENCE

SDE intern @ Xiaomi (Department of Xiaomi Car)

MORE ABOUT ME

- I was once an exchange student to a high school in Sydney, Australia.
- I'm able to read papers. I can read a paper and make a presentation about it.
- I'm extroverted and willing to be friends around me. I can work well in groups.
- I'm willing to learn. When encountering things that I really don't understand, I will humbly ask for advice and study hard.
